The MILL KEEPER

BY GAMBLE FAMILY VINEYARDS

RESPECTING THE PAST, PIONEERING THE FUTURE.

Authentic, approachable, artfully-crafted.

OUR STORY

The Mill Keeper, by Gamble Family Vineyards, is inspired by Napa's first mill keepers of the mid 1800's, who laid the foundation for the producers of today. The hard work of these culturally diverse men and women and their dedication to the land transformed the Napa Valley into a thriving, prosperous community. The Mill Keeper Brand is an homage to their pioneering spirit and the Gamble Family's desire to bring the virtues of their dedication and the resulting agrarian bounty of Napa to consumers in the United States and globally.

SUSTAINABILITY

Our focus is to produce environmentally conscious wine from vineyards with sustainable land management programs. This sustainability is crucial to our employees, our company and most of all, the soil from which our grapes grow. Like the first settlers of Napa, we are stewards of the land and pledge to safeguard its health and surrounding ecosystems for future generations.

DOING OUR PART

Along with its continuing support of Napa's State Park, Bale Grist Mill, The Mill Keeper is a proud sponsor of the National Parks Conservation Association.
